

Here are some endorsements for Jari Komppa (<http://iki.fi/sol>), collected through linkedin.com.

Managers

"Jari is one of the rare individuals who would always exceed my expectations before I even knew what they were. He found solutions to problems which no one else believed could be found. Jari would be an excellent engineering talent for most any team. He's also a good writer!" (May 4, 2005)

- Brian Bruning

Brian managed Jari indirectly at Fathammer Ltd

"We worked together during those crazy years of Internet business and quite often we were forced just to invent things while going futher. Jari proved to be person capable of handling those sometimes stressfull situations and still keep on learning new things." (May 4, 2005)

- Tero Pikala

Tero managed Jari at Viherjuuren Verkkoviestintä (VVV) Oy

"Jari was an amazing colleague. He came to us from assembly-world and caught up the business world in seconds. He did continuously suggestions for improvement that really made a difference. I highly recommend Jari for all the companies who need high working ethics and critical thinking together with deep know-how and high performance." (May 1, 2005)

- Tiina Harmaja

Tiina managed Jari at Viherjuuren Verkkoviestintä (VVV) Oy

Clients / Partner Companies

"Jari rocks! He's creative and hard working. His team created some of our launch content at Tapwave. They did an amazing job of getting us product in time for our launch. Jari was intrumental in making this happen. Not only was he on-time, but both games won awards! Nice!" (May 5, 2005)

- Mitzi McGilvray

Mitzi was Jari's client

"Jari was very enjoyable to work with. Easy to talk to and a good communicator. Very bright and knowlegable, good design skills, and a fast and accurate programmer. And a very strong work ethic -- he works hard and is willing to put in extra hours if required to get things done." (May 2, 2005)

- Dan Chernikoff

Dan was with another company when working with Jari at Fathammer Ltd

"Jani has an impressive technical background and great working skills. He's smart, humorous, and he drives for result." (May 2, 2005)

- Herve Marechal

Herve was with another company when working with Jari at Fathammer Ltd

"Jari is always a pleasure to work with. He's dedicated to solving issues and focused on doing what it takes to get the work done. I highly recommend Jari." (May 1, 2005)

- Joyce Morrell

Joyce was with another company when working with Jari at Fathammer Ltd

Co-Workers

"As a summer intern at Fathammer, I had the luck of sharing a room with Jari. In addition to being a very talented and dedicated programmer as already testified by others, through a combination of attitude and general helpfulness, he really made me trying to do my best. I think Jari has that effect on most people working with him. A very good quality for any leader." (May 9, 2005)

- Lars Andersson

Lars worked indirectly for Jari at Fathammer Ltd

"Working with Jari have been great. He's always loyal to everyone and says what he thinks." (May 2, 2005)

- Lauri Mäki

Lauri worked directly with Jari at Fathammer Ltd

"Jari can figure out the most obscure platform just by looking at its API. He is at his best with big and difficult projects such as creating a cross-platform core for multiple different platforms. He is one of the most reliable persons I know when it comes to getting the job done." (May 1, 2005)

- Toni Lönnberg

Toni worked indirectly for Jari at Fathammer Ltd

"Jari shows remarkable persistence when solving problems with obscure platforms. I always enjoyed his quick witty humor." (May 1, 2005)

- Jetro Lauha

Jetro worked directly with Jari at Fathammer Ltd

"There were no task too difficult for Jari. Ability to learn new programming languages was outstanding." (May 6, 2005)

- Yrjö Nissinen

Yrjö worked directly with Jari at Viherjuuren Verkkoviestintä (VVV) Oy

"I worked with Jari at Viherjuuren Verkkoviestintä /Axel Digital Group. Honestly, i have never seen man who is SO talented, skilled and hungry fot learning more all the time. Jari is VERY dedicated to his work -and he if somebody, have visions in his difficult work area i´ve never seen before." (May 1, 2005)

- Jorma Suutarinen

Jorma worked directly with Jari at Viherjuuren Verkkoviestintä (VVV) Oy

"Jari is phenomenally talented coder who can work miracles. I was constantly amazed of his ability to push the existing technology to solutions I only expected to be possible years into the future." (May 1, 2005)

- Ilmo van der Löwe

Ilmo worked with Jari at Viherjuuren Verkkoviestintä (VVV) Oy
